BIOGRAPHY

Raph & Zack formed the Dj & Production duo Gold Up, whose sound blends musical influences from all over the world, with an emphasis on Jamaican dancehall.

Gold Up has impressed growing crowds with a musical wealth, **boundless energy** and real dj skills. Ensuring a festive and lively atmosphere, each of Raph's performance is marked by a **strong interaction with his crowd.**

Making its debut in 2018 with the release

of their first single "Belong With Me" featuring international Jamaican's sensation Shenseea - currently holds over **2.6 million views on YouTube.**

For many, music is simply a form of entertainment and enjoyment; but for Gold Up, **music is a place to build community and enable transformation.**

Gold Up is working with some of **Dancehall's iconic artists**, that cemented their fan base and lead them to surpass over **7 million streams** on Spotify, **2 number 1 songs on the Apple Charts** and a multiple trending songs all over the globe. Their release "Bubble It" with Dancehall's legend Busy Signal, **catapulted Gold Up onto the mainstream stages.** Followed by another instant viral song "Bird" with Laa Lee. Thousands of fans took over the "Bird" dance on social medias leading them to surpass **6 million views on Youtube.** It is safe to say that their **creativity and originality of mixing different influences** in their productions is making the difference and **Gold Up are looking forward to play for their fans all over the world.**
